Dear Concealed Weapons Permit Holder,

The Yuba County Sheriff's Department is aware that some Sheriff's Departments have received a Public Records Act Request for information about CCW permit applications and permit holders from the San Francisco Chronicle. Despite some unverified information to the contrary, the Yuba County Sheriff's Department has not received this records request as of this time.

If we do receive this Public Records Act Request, or one similar, from any requester our first act will be to seek a legal opinion from the Office of County Counsel. That office will in turn provide their legal opinion regarding our obligations to comply with the request pursuant to California State law.

The Yuba County Sheriff's Department is committed to protecting the rights of our citizens, and those rights afforded under the Second Amendment. If we receive a Public Records Act Request of this nature, we will notify CCW permit holders in our County of our legal obligation to comply with the request prior to doing so.

Sincerely,

A handwritten signature in black ink that reads "Wendell Anderson".

Wendell Anderson
Sheriff-Coroner
